

Calling all Squirrels!

Sand Point Elementary's 2023 Move-a-Thon fundraiser is **Friday, October 20, 2023!**

Sand Point's annual Move-a-Thon is a fun tradition that combines healthy activity and fitness goals with raising crucial funds for our students and staff.

Each autumn - rain or shine! – all SPE students participate Move-a-Thon by running, jogging, walking, or rolling as many laps as possible around our playground in 20 minutes. Prior to the event, students will be collecting pledges from family, friends, and neighbors **to help raise money for their Sand Point Elementary school.**

Would you consider joining with our Squirrels as a featured partner of this event? Your sponsorship matters and will provide our staff with the tools they need to make a difference in the lives of each and every one of our Sand Point students.

SPE is a unique school in Northeast Seattle, bringing together a diverse group of students, families, and staff. Our school demographics truly reflect a microcosm of our city - in a school of just 200 students there are 17 different home languages represented!

We are a Title I school, which means that many of our families qualify for free and reduced lunch. **With limited funding from the school district, we are a school in need of support from our community.**

Our PTA uses the money raised to bridge the gap between public funding and school needs and priorities. We provide supplemental learning and enrichment activities such as arts and cultural experiences, field trips, and special guests. We purchase library books, technology, and recess and P.E. materials. We also support the health and well-being of children and families by assisting SPE's Family Support Program.

Would you consider sponsoring the 2023 Sand Point Elementary Move-a-Thon? Sponsorships are a great way for local businesses to show the entire school community how they support our students.

Thank you for considering this opportunity to make an impact! We are so grateful for the support of our community.

Sincerely,

Jennifer Fung
Proud SPE Parent and PTA Fundraising Chair
